MEMORANDUM FOR: DDCI

FROM :

SUBJECT : DCI's Memo dated 28 November on "Creative Problem Solving"

.1. In taking advantage of the DCI's invitation for ideas on new or better ways to respond to critical intelligence problems, it is hoped the concerns I have outlined below, since they deal with a potential problem, is not an abuse of this new channel of communication that has been opened. I do, however, believe that the current drift of U.S. policy in regards to what is being described
